Contract for school year starting in year 20__

I, the undersigned parent/guardian of (please print student's/students' name/names) _____ understand that entering contests and recitals is a privilege and is not automatic. Performances are a reflection of the teacher and therefore it is at the discretion of the teacher as to whether a student participates in any contests and/or recitals. I also understand that a commitment to practicing is essential in order to reap the benefits of piano instruction. The teacher will keep me closely advised as to the progress and/or lack of progress of my child/children. If needed, a conference will be scheduled to determine further lessons.

In addition, I understand that if I terminate the lessons, I will be responsible for paying one month's additional tuition until the lesson can be filled.

My signature below (parent/guardian) confirms that I have read, understood and agreed to the policies outlined in the accompanying letter, the studio brochure, this contract and any other correspondence from the Piano Studio of Helen H. Myers, NCTM.
